

The Frank Wills Memorial Society is a local charity which oversees a multi-functional community venue. The venue supports not just one group within the community but groups from all different sectors of the community - some whom are 'in-scope' with the Government of Alberta's new measures and some whom are 'out of scope'. It is for that reason that in order to comply with new guidelines and continue to serve the Cochrane Community we will be implementing the following – in guidance from Public Health.
